

**TOUCHSCREENS,  
EFFECTIVE HARDWARE FOR YOUR EVENT!**

# EASY TOUCH

**Touchscreens are popular because they have excellent screen resolution, are easy and comfortable to use.**

**UNLIMITED APPLICATIONS**

OneTec has an extensive stock of touchscreen devices that can be loaded with apps and content of your choice.

**PRACTICAL & EASY TO USE**

The screens can be installed on branded totems or attached to tables, depending on how they will be used.

**MULTIPLE SIZES AND FORMATS AVAILABLE**

All the screens display full HD image quality and are available in a range of sizes.

The screens can display useful information such as venue maps and advertising, or they can be interactive such as the NFC totem, web applications or interactive map options.

When combined with easyNFC, the touchscreens can recognise their user and deliver a more personalised experience.
